MULLINEUX FAMILY WINES

Established by Chris and Andrea Mullineux in 2007, Mullineux has been a leader in revolutionising the wines of Swartland. Their wines have earned both national and international acclaim with Andrea being recognized by Wine Enthusiast as the 2016 International Winemaker of the Year. Syrah plays a leading role here, but other Rhône varieties such as Grenache, Cinsault, and Carignan as well as South Africa's signature Chenin Blanc have also achieved a strong following. Our tasting will be followed by a casual lunch at their Roundstone Farm property. www.mlfwines.com

DAVID & NADIA SADIE

David & Nadia Sadie are an exceptionally humble husband (viticulture and winemaking) and wife team (soil science and viticulture) whose considered and metered approach has driven – and maintains – their position among the Cape's top producers. Their focus is on Grenache and Chenin Blanc, the former featuring in a single variety bottling and an elegant 'Mediterranean' blend. The latter in a single vineyard range with each vineyard reflecting a different underlying soil type (iron-rich clay, shale, and decomposed granite respectively). www.davidnadia.com

After a full day of tasting, we will return to the Mount Nelson for a 3-course dinner. Joining us that evening will be a small group of leading South African winemakers who will present their wines as paired with our dinner.
